Users

PK email	String
name	String
username	String
phone	Number
birthdate	Timestamp
height	Number
weight	Number
gender	String
interests	Map
member_since	Timestamp
spotify_id	String
devices_id	Array[String]
account_type	String
workout_schedule	Array[Map]
stripe_customer_id	String
userfollows	Subcollection
usernotifications	Subcollection
usercalendar	Subcollection

Workouts

PK id	String
coach_email	Reference(Coach)
title	String
creation_date	Timestamp
publish_date	Timestamp
visibility	Boolean
difficulty	String
muscular_focus	String
type	String
required_equipment	Array[String]
media	Map
income	Number
views	Number
tags	Array[String]

Groups

PK id	String
name	String
description	String
creation_date	Timestamp
cover	String
members_number	Number
location	Map
creator	String
creator_name	String
groupmembers	Subcollection
groupposts	Subcollection

CoachesPosts

PK id	String
coach_email	Reference(Coach)
coach_name	String
copy-out	String
publish_date	Timestamp
likes	Number
files	Array[String]

GroupMembers

PK member_id	String
member_since	String
posts_number	Number
comments_number	Number

CoachPayouts

PK id	String
request_date	Timestamp
payout_amount	Number
status	String

CoachWorkouts

PK coach_email	String
creation_date	Timestamp

CoachPlaylists

PK coach_email	String
creation_date	Timestamp
last_update	Timestamp
title	String
income	Number
workout	Array[String]

CoachNotifications

PK id	String
type	Number
message	String
date	Timestamp
read	Boolean

UserFollows

PK coach_email	String
following_date	Timestamp

UserNotifications

PK id	String
type	Number
message	String
date	Timestamp
read	Boolean

UserCalendar

PK id	String
workout_id	String
workout_name	String
date	Timestamp
read	Boolean

GroupPosts

PK id	String
creator_id	String
creator_name	String
